## EMPLOYMENT HISTORY

### Technical Photographer, Caresoft global

Coimbatore

Jul 2021 — May 2022

- Delivered visually compelling work through photography and adobe creative suite.
- Utilized Adobe Creative Suite and Davinci Resolve to create advanced works like making 360-degree photos and exploded views for high-end brands like Tesla, Ford etc.
- Communicated with on-site and addressed questions and concerns.
- Played a role in helping teams showcase explainer videos of their projects.
- Received a pat on the back for my work here.

### Independent Consultant(Graphic Design), Caresoft global

Coimbatore

Mar 2021 — Jul 2021

- Utilized adobe creative suite software skills to assist with projects.
- worked with clients like Tesla, Ford etc.

### Freelancing(Motion Design)

2020 — 2022

- As a passionate motion graphic designer, I have been creating several intriguing designs since 2020. Have experience in successfully completing freelance projects.
- Currently experimenting with character animation and Cinema 4d.
- Worked to ensure a positive and hassle-free customer experience.
